

The special session on “**Polymer Energy Materials**” at AEM2017 ([www.aem2017.com](http://www.aem2017.com)) will include both theoretical and experimental studies on Polymer materials and nanocomposites. Selected Papers will be published in Polymer International (Wiley).

The topics explored will be but are not limited to:

Polymer materials, Functional polymers, Polymer hybrid materials, Nanocomposites, Biopolymers, Polymer catalysts, Polymer characterization, Polymer electronics, Polymer electrolyte fuel cells.
